School Policies and Disclosures

REGISTRATION: Seating is confirmed upon receipt of a completed registration form and full payment before the designated cutoff time of 5 PM Eastern Time. All training materials are included in the fees. Confirmation of registration will be sent via email. Submissions received after 5 PM will be processed on the next business day. Notifications will be sent if a class is full or has been cancelled.

ATTENDANCE: BOSS requires 100% attendance to satisfy course requirements. Students must arrive no later than 30 minutes after start of training to be admitted. *Per OSHA Outreach Training Program requirements, Rev April 2017, a student is eligible for makeup training only if they have completed at least 50% of the contact hours for the training PRIOR to their absence. It is the responsibility of the student to contact BOSS to schedule a make-up session within 6 months of the original class date.*

CANCELLATION Cancellations or rescheduling requests received at least 3 full business days before the course start date incur no penalty. Late notices may lead to a forfeiture of 50% of the course fee. Registrations occurring within 3 days of the event are non-refundable. BOSS reserves the right to reschedule or cancel courses due to insufficient enrollment or other unforeseen circumstances.

PRIVACY POLICY - BOSS is committed to keeping records of the learners who take classes at BOSS safe and secured. The records include transcript, attendance, quizzes, course the learners took, evaluation forms, personal contact information of the learners, and course registration forms. All records are maintained secure, and learners' information is not used for marketing, solicitation purposes or sold to a third party. If a student wants a release of their records, they must email the training coordinator and follow a verification process. For more information email info@bestofsafetyservices.com.

I, the undersigned, acknowledge that certificates and licenses are contingent on full payment. To receive a certificate or license card upon course completion, I must:

- Communicate effectively in the course's delivery language.
- Fulfill all paperwork requirements, including registration, evaluations, attendance, quizzes, exercises, and exams.
- Attend the full duration of the course, with any makeup sessions completed within a six-month timeframe.
- Actively participate in course activities and pass all assessments with a minimum grade of 70%.

I authorize Best Of Safety Services to verify my information with regulatory bodies as required for employment and compliance with safety regulations. My personal data will not be disclosed except as detailed above. Certificates/license cards will not be released to others without my written consent.

I consent to being contacted with class updates and relevant industry information. I understand my right to unsubscribe from such communications.

I have read, understand, and agree to the terms outlined herein and acknowledge this as a release of liability required for participation in construction safety training courses.
